Rob,
1) That's all that I (R2) have, but I can ask Lockheed if they can provide spreadsheets or mdb files
2) We are finalizing the QAPP for the upland investigation and our attorneys are working on getting access to Givaudan's waste cell. I will share the QAPP with you when we finalize it.
Enjoy your weekend,
eugenia

PS: Where is Mr. Potter? Hope he's having fun!

Can EPA provide these data in a spreadsheet or db file?

What is the status of the upland investigation?

Thanks

Have a good weekend.
